

# SEND Family Support Needs You!

**Are you looking for a rewarding volunteer opportunity, where you can learn new skills & help make a difference to SEND families lives?**

We are currently looking to increase our team of volunteers to help set up and run our clubs, workshops and events. If you are enthusiastic, motivated with good verbal communication skills. You should be aware, enjoy, accept and understand traits that individuals with SEND may have. You need to be empathetic with an understanding of the needs and goals of SEND families inclusively. You should also recognise the importance of confidentiality.

**Then this Opportunity is for you!**

Although we do not pay our volunteers, no volunteer will be out of pocket when attending any of our clubs, workshops and events. So if you need to pay for anything whilst volunteering at a club, workshop or event please keep your receipts and we will reimburse you.

**You can find out more information about our forthcoming clubs, workshops and events by going to [www.sendfs.co.uk/events](http://www.sendfs.co.uk/events).**
