Dear Parents / Carers,

After School Club Provision Programme of Activities and Session Booking Changes – Spring Term 2026

We are pleased to advise that based on the feedback received from our School Council and Pupil Voice this term, we have broadened the targeted enrichment activity offer in our After-School provision for the Spring Term onwards. Please find attached the programme of activities that you will now be able to select when booking your child into the provision via our [childcare online booking system](#).

Each activity can be booked either as a stand-alone activity with collection between 4.20pm-4.30pm, or as an activity followed by childcare with collection between 5pm-6pm. *Please ensure you select the one suited to your collection requirements.* If you have siblings in different year groups, please select their name from the drop-down bar next to ‘Child/Children’ at the top of the Bookings page, to book them into the specific year group activity available to them for each given day.

Please be reminded that all places are subject to availability and will show as ‘Full’ if and when unavailable. Please also be reminded to clear any outstanding debts showing on your account if applicable in order to continue using the provision. Payment for the Before and After School Care Club will need to be made via the system to secure your place (childcare vouchers are accepted). If payment is not made at the time of the booking, please note that provisionally booked sessions may be lost and additional fees will be applied should you still require a place at the club.

Revised Daily Pricing Structure:

Breakfast Club 07.45 – 08.45 Cost per child	After School Club Activity <i>(collection between 4.20pm – 4.30pm only)</i> Cost per child	After School Activity followed by Snack & Free-Play Care <i>(collection between 5pm – 6pm only)</i> Cost per child
£6.00 <i>(no change)</i>	£7.00 <i>(no change)</i>	£12.00 <i>(£1 increase)</i>

As with implementing any changes to the booking system, we expect there may be a few ‘teething’ issues and we thank you in advance for your patience. With the school being closed over the Christmas holidays and communications only being checked intermittently, if you are new to the system, and / or experience any technical difficulties, please do e-mail the school via admin@deanesfieldschool.org.uk explaining the issue(s). Please be patient and bear with us and a member of the team will contact you as soon as possible.

Kind regards,

Mrs S. Tailor
School Operations Manager
